What Is Going On Tonight

Knight of Pythias, Natchaug lodge,
No. 22, Meets in Odd Fellows Hall.

Lieut. Raymond Gates, son of Mayor Charles A. Gates of Willimantic, returned to this city Saturday night after a long absence from his home town. His return was unexpected and a most agreeable surprise to his parents. Lieut. Gates met his father in Hartford Saturday just before the Odd Fellows' parade, the latter being there to take part in the parade as marshal of the delegation from this city from Obwaukeet lodge, No. 16. Lieutenant Gates enlisted as a private at Hartford in June, 1917, and was soon stationed at Natick, Conn., until September of that year. He was later transferred to Camp Jackson, Columbia, S. C., and shortly afterwards was made sergeant. In October, 1918, he received his commission as lieutenant and was then transferred to Camp Lewis, American Lake, State of Washington, where he remained until he was released from the service on April 17th. He lost no time in making tracks for the East and it was purely a coincidence on his way home of his meeting his father in Hartford. Lieut. Gates is looking well and feeling fine and has gained considerably in weight during his term in the service.

The attendance of team captains and members of the teams at the meeting in the chamber of commerce rooms Sunday afternoon was not as large as had been hoped for as a number were absent while attending the funeral service of the late Hiram N. Fenn. Nevertheless an enthusiastic meeting was held and the members of the teams will start again Monday (Monday) with renewed energy and ambition to put Willimantic over the top in this Victory loan campaign.

M. A. Lynch of Hartford president over the meeting and after reading a letter from the Victory Loan committee of Hartford, urging the local committee to use the German helmets sent here in some manner to attract the sale of bonds in the town of Windham, a committee of five were appointed to take up the matter and dispose of them on a strictly competitive basis.

A number of them took part in discussing the situation at present in the town of Windham on the Victory loan and it seemed to be the general opinion that the towns, as in all previous loans, had made a slow start in taking up the bonds, but that it would come through and take up its quota as in the past. A number of meetings will be arranged during this week, at which competent speakers from out of town will be present. Mr. Adelard Morin of Norwich will speak on the Victory loan at a meeting of the French speaking people of this city at St. Mary's church on Tuesday evening and a meeting for the Polish people will be held during the week, at which a Polish speaker will be present. A committee was also appointed to arrange for a public meeting to be held next Sunday night in one of the local theatres to be announced later, and Mr. Lynch will do his utmost to arrange for the showing of the government picture film, "The Price of Peace" at the meeting. Arrangements are being completed for the "big night," May 6th, when the Victory War exhibit train will be in the local railway yard from 5 to 11 a. m. It is planned to have a display with plenty of music and out of town speakers. Mr. Lynch at the meeting Sunday afternoon expressed the hope however that the town of Windham will have been all through by that time and its quota taken up. Windham's quota is \$400,000 and up to Saturday night about \$80,000 had been reported in as subscribed for.

At the weekly meeting of the W. C. T. U. twelve new members were added to the roll and the members voted to buy a \$500 Victory bond, which will make a total of \$1800 now invested in government bonds by the local W. C. T. U. The chairman's report of the Easter sale showed receipts amounting to \$34.59. Announcement was made that Mrs. J. Beveridge Lee of New London will speak at the meeting May 9th, Mother's Day and an invitation was extended to all mothers in Willimantic to be present. The union voted to hold a rummage sale. The treasurer reported that 91 members had earned and turned in their dollar towards a Liberty Bond and many more are to be heard from.

The funeral of Hiram Newton Fenn was held Sunday afternoon at 2:30 p. m. in the Church House of the First Congregational church. The attendance was large and there were many beautiful floral tributes. Rev. Harry S. Crockett officiated and the following members of the local organization of Boy Scouts will receive government recognition of their fine work inasmuch as they will be awarded at the meeting of the Boy Scouts next Friday night. War service emblems by Judge Twomey, chairman of the Canvassers of the Local Liberty Loan Campaign Committee. The names of the boys and the number of bonds each sold follows: Arthur Slater, 64; Benjamin Rosen, 27; Clifton Dawson, 10. This is an exceptionally fine showing for Boy Scouts in a town the size of Windham and reflects great credit on the local organization. The total number of bonds of the 4th Liberty Loan sold by the local Boy Scouts was 190, amounting to \$17,250 and for all four previous loans a total of 736 bonds were sold amounting to \$69,400. It may be also said that Benjamin Rosen is the champion canvasser, he having secured in those four local campaigns while Messrs. Slater, Flynn, Webster and Knight qualified in three of the loans. With such an organization and record as this behind them, Willimantic will surely go over the top when the local Boy Scouts go to work on it.

Miss Dalia Guilford, of High street was given a farewell party Saturday evening by a number of friends. Music and games were enjoyed and refreshments were served. Miss Guilford is to make her home in Salem, Illinois, and while her friends wish her every success in her new location, they exceedingly regret her departure.

Funeral services for Earl M. Holbrook were held Sunday afternoon at 2 o'clock from the chapel rooms of Day St. Chapel. Rev. John Knott conducted the services. Burial was in Columbia cemetery. The bearers were Charles Holbrook, Arthur Holbrook, Charles Holbrook, W. A. Stewart. The cases of a man and woman arrested for intoxication, will come before the police court this (Monday) morning.

Owing to the high water all last week the Willimantic river it was found impossible to draw off any of the water behind the dams in the vicinity of this section to assist in locating the body of Leonard Axelrod, the boy drowned over a week ago. Search for the body has been kept up to a late hour Sunday night.

There was a large attendance Sunday evening at the Union service in the Methodist Episcopal church. Members from the various Protestant churches in this city were present and a meeting of unusual interest was held under the auspices of the local W. C. T. U. Mrs. J. W. Gager presided over the meeting. A fine program was carried out, the congregation taking part in the singing of new Victory songs. The children of Le L. T. Young played with a precision and a young Bohemian boy from Ashford, gave two recitations. Mrs. Mary B. Wilson of Hartford who has had a long experience as a national worker in the field of Americanization, gave a close attention of her audience for over an hour with an interesting talk for the cause of prohibition and urged the people of Willimantic to give freely and generously to the great campaign canvasser in the public drive now being held in this city.

A substantial collection was taken during the meeting, toward the fund for the World War campaign. A meeting of the official board of the Methodist church will be held this (Monday) afternoon.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—daring under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

jured, he being taken to the City hospital in Boston with a badly fractured knee. Mr. and Mrs. Stoughton with their daughter of this city attended the parade and were unfortunately enough to be located close to the scene of the shooting and stabbing affray of negroes at the corner of Columbus Avenue and Dartmouth street.

Arthur Kumpf, a chauffeur for the American Thread company, was brought to this city late Friday night from Bridgeport with a badly fractured knee, the result of an accident at Warren, Conn., while he was driving one of the company's trucks from New York city to Willimantic. An automobile coming from the rear in passing the truck hooked into it and caused Kumpf to lose control of the truck, which crashed into a tree and threw the driver from his seat against the dash of the car. A considerable force, Kumpf had planned to put up for the night at New Haven but was taken back to Bridgeport and then brought here.

By securing ten or more applications for Fourth Liberty Bonds, the following members of the local organization of Boy Scouts will receive government recognition of their fine work inasmuch as they will be awarded at the meeting of the Boy Scouts next Friday night. A Distinguished Service Button

FOR THE

SCHOOL CHILDREN of CONNECTICUT

THE WOMAN'S LIBERTY LOAN COMMITTEE of the State of Connecticut has had designed an artistic **DISTINGUISHED SERVICE BUTTON** to be awarded to every pupil of a Connecticut school who makes a bona fide sale of not less than **ONE VICTORY BOND**.

HOW TO OBTAIN THE BUTTON.

Every teacher has been supplied with a limited number of application blanks and more may be obtained upon application at the local bank, or Liberty Loan committee.

All that the school pupils competing for the **DISTINGUISHED SERVICE BUTTON** has to do is to obtain the subscription of one responsible person, on one of the official application blanks and hand it to the teacher of their class.

Upon the presentation of the application for a **VICTORY BOND** properly signed as above the Teacher will arrange to award to the school pupil a **DISTINGUISHED SERVICE BUTTON**.

WHO MAY COMPETE FOR BUTTONS.

This contest is open to every school pupil in the state of Connecticut, irrespective of whether they are attending a public school, a parochial school, or a private school.

Positively the only conditions governing the award of the **DISTINGUISHED SERVICE BUTTON** are that the contestant actually be a pupil attending some regularly constituted school within the state of Connecticut and that they shall, by their own efforts, obtain one signed order for a **VICTORY BOND**.

The Buttons are to be jealously guarded, and conscientiously awarded and it will be a badge of distinguished service in the interests of our country to be the proud possessor of a **DISTINGUISHED SERVICE BUTTON** of the Woman's Liberty Loan Committee of Connecticut.

TO TEACHERS AND TO THEIR PUPILS

It is possible for the school children of the State of Connecticut to render a wonderful service to our Country in the Victory Loan Campaign. Connecticut's share of the Victory Loan is approximately \$50,000,000 and if each school child in the State obtains but one application for one \$100 bond, the **SCHOOL CHILDREN OF CONNECTICUT WILL HAVE RAISED MORE THAN ONE-HALF OF THE STATE'S QUOTA**.

TEACHERS, YOU AND YOUR PUPILS CAN DO THIS!
LET US BLAZON, FAR AND WIDE, THE GLORY OF
ACCOMPLISHMENT OF OUR SCHOOLS!
